Reverend Bernard F. Shank
Saint Michael Parish
Schererville, Indiana 46375

Dear Father Shank:

It gives me a delightful thrill to join you, your parishioners, your faithful co-workers, the religious priests, the Sisters and the lay teachers, in observing an historic event - the 100th Anniversary of Saint Michael Parish. Singularly appropriate is the concurrence of the Centennial Day conveniently falling on Sunday, September 29 - the very day on which the parish was founded as well as the Feast of Michael the Archangel, the heavenly patron of the parish.

For a century now within the confines of this parish, the supernatural benefits of the Sacraments were made readily available and the inestimable gift of the Sacrifice of the Mass was offered daily to the honor and glory of God and for the invocation of divine blessings upon its parishioners. For one hundred years this parish has been a witness to much joy and sorrow, basic human sentiments which in the hearts of its faithful people generated the enthusiasm that brought about the building of a beautiful church and other parochial facilities which now adorn the worshipping community of Schererville.

Looking back over the span of a century, we cannot but be deeply grateful to those dedicated men and women who had the courage and foresight along with a strong faith which enabled them to make the personal sacrifices involved in founding Saint Michael Parish.

As we rejoice during the centennial festivities, let us keep in mind and prayer all those who have passed on to their eternal reward through the doors of Saint Michael Church.

In the years to come, may Saint Michael Parish continue to draw the pilgrim laborers in its area of the Lord's vineyard ever nearer to Him, Who is the Way, the Truth and the Life and always closer to each other.

With warmest sentiments of appreciation and a cordial blessing, I remain

Yours devotedly on His way,

Andrew G. Grutka, Bishop of Gary

THE BIRTH AND GROWTH OF OUR PARISH

The early Catholic settlers of Schererville, lacking a church building of their own, were forced to travel to Saint John, Turkey Creek, Crown Point or Dyer to participate in religious services.

In 1873 a petition, edited by Mrs. Nicolaus (Francisca) Scherer, was presented to Bishop Dwenger of Fort Wayne requesting the formation of a parish in the town of Schererville. Somewhat reluctant, the prelate consented.

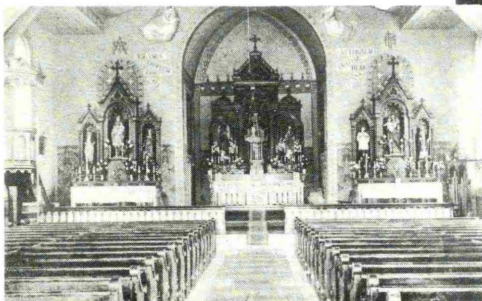

Nicolaus Scherer, the town founder, donated 4 1/2 acres of land for the church and cemetery. A building committee was formed composed of John Austgen Jr., Mathias Miller, Joseph Newmann, Nicolaus Scherer, Bernard and Henry Schulte, and Nicolaus Schutz. John Seberger supervised the fund raising and erection of the church building.

The white frame structure measured 45 x 95 feet, was topped with a 100 foot spire and cost approximately \$5,000. On September 29, 1874, the church dedicated to St. Michael, the Archangel, was solemnly blessed by Bishop Dwenger.

Rev. Gottfried Kueng was appointed the first pastor of this new parish which was comprised of eighty families. The first baptism was recorded on October 11, 1874, Nicolaus Schutz, the first funeral on November 9, 1874, Nicolaus Kobe, and the first wedding on January 7,

1875, uniting Adam Schubert and Catharina Stephan. Prior to his resignation and return to his native Austria in October 1876, Rev. Kueng observed the construction of a rectory in 1875, near the southeast corner of the church at a cost of \$1,800.

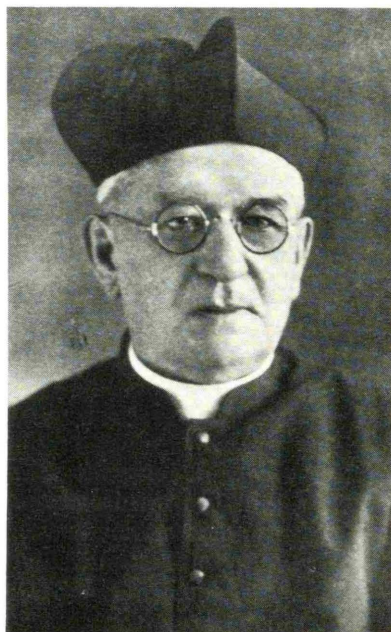

Rev. John H. Bathe, a newly ordained priest, was appointed pastor in February, 1877. He remained for only five months and was replaced by Rev. Francis Xavier Deimel originally from St. Martin's in Hanover Center. In 1879, poor health forced him to enter Alexian Hospital in St. Louis. He submitted his resignation to the bishop in 1881 and passed away November 11 of that same year. During his pastorate, he managed to reduce the parish debt and purchased the two tower bells that are currently being used.

RECTORY

On May 28, 1881, Rev. William Berg, ordained in Prussia in 1877, was appointed pastor and assumed office on June 9. At the time of his arrival, the parish had a debt of \$2,350 and through his personal efforts of visiting each home, he managed to collect \$1,600 and in 1889 the debt was paid in full.

Epidemics of diptheria and flu left their mark on the parish between 1874 and 1890 when 165 deaths were recorded, 85 of which were children under the age of twelve. Many of the deceased were laid to rest in the parish cemetery which was formally blessed by Bishop Rademaker on September 27, 1895.

REV. WM. BERG

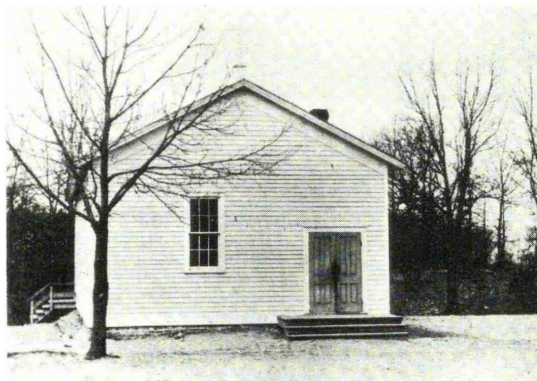

CEMETERY

On September 27, 1893, the cemetery played host to the single most tragic event in the parish history. Early that morning, Rev. Berg discovered that the Ciborium, the Sacred Hosts, and the altar cross and missal had been stolen. Investigation revealed vandalism to numerous tombstones and the remnants of the stolen articles that had been destroyed by fire. The fire had been kindled with the wooden crosses that had marked the graves of innocent children. A day of penance was observed for many years in remembrance of this sad event.

Education for the parish children was provided at the village public school. In 1886, two Franciscan Sisters of the Sacred Heart were assigned to Schererville to teach in the lower grades. The first two nuns were Sisters Elizabeth and Josephine. A converted 16 x 20 foot barn on a lot near the church constituted the first convent. The total cost of the lot and remodeling was \$461. A 20 x 24 foot section of the public school was purchased and relocated on the parish grounds in 1893. This structure was utilized for religious instruction only; regular schooling was still provided at the public school. Cost of this project was approximately \$250.

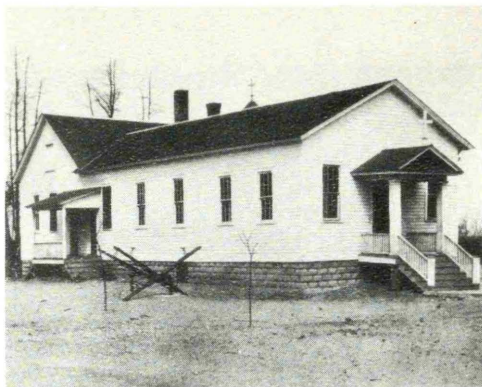

During the summer of 1900, at a cost of \$1,200, two additional rooms were added to the original school building and St. Michael's parochial school became a reality when the school year began on September 16. Utilizing one classroom, 42 students were enrolled under the direction of Sister Rosalia. In 1901, the enrollment was 55

pupils and in 1902, the second classroom was opened. Increasing enrollment necessitated an additional two classrooms in 1908. A new brick school building, still occupied today, was erected in 1916.

UNDER CONSTRUCTION

The parish roll in the early 1900's included the following names: Adler, Austgen, Backe, Berwanger, Beiriger, Bicker, Braun, Bone, Cope, Doffin, Dub, Erb, Gerlach, Gertzinger, Govert, Grimmer, Hart, Harkenrider, Heil, Helfen, Hag, Hilbrich, Hohman, Jansen, Jung, Kerner, Kolling, Kuhn, Lustig, Lang, Laible, Lepper, Leinen, Mager, Margraf, Maas, Mang, Miller, Neuman, Neudorf, Osweiler, Peiper, Pinter, Reder, Reiplinger, Risch, Rohrmann, Rietmann, Scherer, Schiesser, Schiessle, Schubert, Schulte, Schilling, Seberger, Scholl, Schaefer, Schmitt, Schutz, Schweitzer, Schmal, Stephen, Steuer, Spitz, Theis, Thomas, Thiel, Treinen, Weis, Wein, Wehner, Wurtz.

COMPLETED

During the early twenties, the sand hill to the west of the cemetery was transformed into a shrine in remembrance of the crime committed against the Holy Eucharist in 1893 as well as that of Christ's death. It was named Mount Calvary and was encircled with the stations of the Cross. Two grottos were constructed in the

MOUNT CALVARY

sides of the hill, the one on the north depicting Christ's Agony in the Garden and the south honors his Resurrection from the dead. The grottos have since been closed off due to vandalism. Monsignor William Berg, his brother Fr. John Berg and Fr. Peter Biegel are entombed at the top of Mount Calvary.

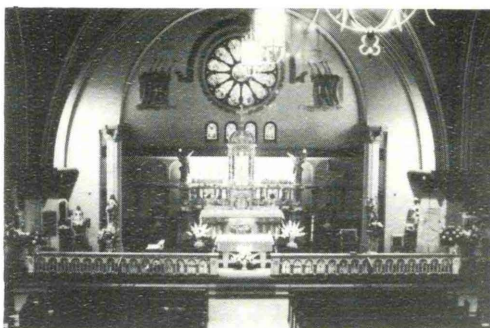

Bishop John Francis Noll elevated Fr. Berg to the rank of Domestic Prelate, with the title of Right Reverend Monsignor on May 29, 1927 in conjunction with his Golden Sacerdotal Jubilee. The year 1927 also found the parish with a substantial building fund and the need for a new and larger church. Architectural drawings, prepared by Charles L. Wallace of Joliet, were accepted. John A. Mager, a resident and parishioner, was commissioned as general contractor. Ground breaking ceremonies were held on October 25, 1927 and the corner stone was set in place May 20, 1928. The new church was dedicated on May 18, 1930.

It measures 125 feet in length, is 47 feet wide in the nave, 73 feet wide in the transept, has a 37 foot ceiling, is fitted with a 116 foot spire and has a seating capacity of approximately 500. The total expenditure including the furnishings and the pipe organ was just over \$97,000. The first baptism in the new church was that of Richard Joseph Govert on April 13, 1930 and the first wedding uniting Alphonse Fetsch and Marie Seberger on April 26, 1930.

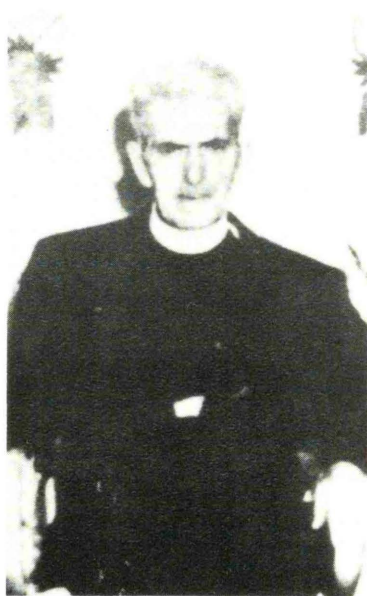

CURRENT CHURCH

Monsignor Berg was denied the right to enjoy the new church since he was called to his eternal reward on September 4, 1929. Rev. Leo Hildbrandt organized the funeral and cared for parish matters until October 4, 1929, when the bishop appointed Rev. Peter A. Biegel as pastor. Fr. Biegel's first annual report dated December 31, 1929, stated that the parish was composed of 90 families and a school enrollment of 124 students that employed the services of 4 nuns. Financially, the parish had a debt of \$32,000.

SANCTUARY

The parish feeling the effects of the depression, grew slowly during the thirties. In 1935, it consisted of 117 families and 134 families were recorded in 1940. The end of World War II marked a period of expansion. The parish numbered 140 families in 1947, expanding to 183 in 1950. Projected student enrollment for the 1954-55 school year clearly indicated that additional classroom space was needed. Archbishop Noll granted permission to proceed with a \$75,000 project that would provide four additional classrooms. Included would be lavatory facilities, enlargement of the auditorium and a principal's office. Ground was broken on July 11, 1954 and the building was occupied in February, 1955.

REV. PETER A. BIEGEL

Rev. William Piel was assigned as assistant pastor to the aging Fr. Biegel on June 8, 1956. Two years later Fr. Biegel retired and Rev. Timothy F. Doody was appointed administrator. Fr. Biegel celebrated his golden jubilee on June 14, 1959 and passed away on March 24 of the following year.

The late 50's and early 60's brought many changes and improvements. A new rectory was constructed on the corner of Wilhelm and Anna at a cost of \$20,000. and was

REV. TIMOTHY DOODY

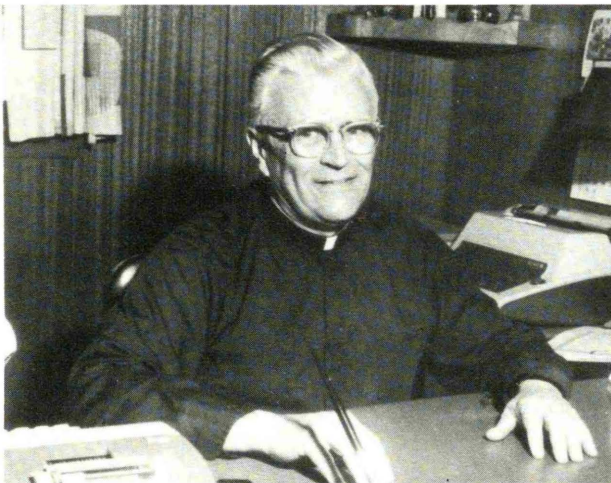

occupied by Fr. Doody in December 1958. The old rectory was razed after Fr. Biegel's death. A stone wall was constructed along the northern edge of the cemetery and a watering system was installed. Mt. Calvary was fitted with a new stone altar as well as three new monuments in memory of the departed priests. The school was equipped with fire doors, a fire protection system, fire proof stage curtains, and a fire evacuation chute. In 1963, full seating capacity in the church was gained with the installation of pews in both transepts.

The college division of the Capuchin seminary was transferred within the boundaries of the parish in June of 1959 and the bishop approved their assistance in parish matters. Fr. Nelson Hart was their first delegate; he was succeeded by Fr. Juan Florez and finally by Fr. Campion Baer in 1963.

Rev. Bernard Shank was appointed to replace Fr. Doody on April 3, 1964. Ordained in 1942, he celebrated his 25th anniversary in May of 1967.

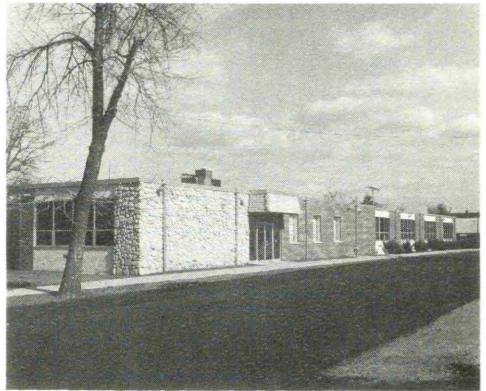

During the past ten years Fr. Shank has overseen the completion of many improvements. One of his first projects was to permanently build in the confessionals at the rear of the church. More adequate parking facilities were provided in 1967 with the completion of the lot on the south side of the church. Increasing student

REV. BERNARD SHANK

enrollment during the sixties again called for expanded school quarters. On August 9, 1968 construction was started on the latest addition to the school. The building was occupied in February of 1970 and formally dedicated in November.

The church sanctuary was beautifully carpeted during the summer of 1971. In 1972, grading of the property just south of the church and cemetery for additional playground facilities was started. Consistant bad weather and the inability to obtain the necessary equipment has delayed the project.

LATEST ADDITION

This past spring Fr. Shank was burdened with the sad announcement that the Capuchin seminary was being sold and that he would no longer enjoy the assistance of Fr. Campion Baer who had served the parish faithfully for over ten years.

Currently the parish has 734 registered households and is expecting an enrollment of approximately 400 students for the 1974-75 school year.
